

# WELCOME!

NAME .....

Here is a fun quiz sheet for you to complete as you make your way around the zoo.

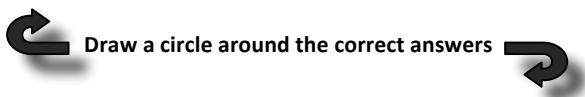

**FACT:**  
Wiggly worms are a firm favourite with our monkeys & meerkats

**1** In the wild **Ring-tailed Lemurs** only live on one island, is it...  
(Look at their notice board!)

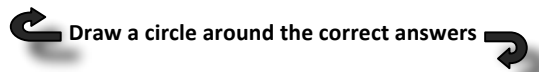

Malta    Madagasca    Majorca

**4** How do Squirrel monkeys mark their territory? (It's a little bit yucky!)  
.....

**5** **EMUs** can run very fast. How fast?  
(Look at their notice board!)

What colour is an emu's egg?    red    white    green

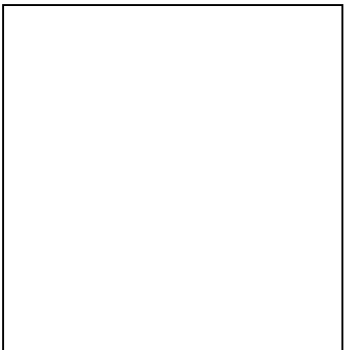

**2** Here at the zoo we have quite a few **Meerkats**; what word do we use to describe a group of Meerkats?  
(Look at their notice board!)

gang    troop    mob

If you can see them... look at their feet.  
How many toes do they have?  
(If they are hiding ask a zookeeper!)  
(Ostrich only have 2!)

5    6    3

**3** Find our **Capuchin** monkeys and draw the shape of their tail in the box....

The word for a tail with which an animal is 'able to grasp' is '**prehensile**'  
It's not just monkeys who have them, so do **Harvest Mice!**  
You can see some in **The Mouse House.**

**6** Our **Kune Kune Pigs** are called 'Piggle & Wiggle'  
Take a deep breath.... Are they smelly? yes / no  
Actually the pigs are one of the cleanest animals at the zoo; they won't go to the toilet where they sleep or where they eat.

What does **Kune Kune** mean in Maori?  
nice & hairy    fat & round    small & smelly
